

A Message for:

**Board Chairpersons
Chief Executives
Executive Directors**

If any of the following items are on your agenda to be achieved or addressed this year...

- Board or staff planning retreat
- Conducting an assessment of your board's performance or effectiveness
- Developing a new strategic plan or reviewing your existing plan
- Conducting the annual CEO Performance Evaluation
- Orientation for new board members
- Addressing concerns that your board's current approach to governing is not working as well as board members want
- Working on improving how the Board and Chief Executive can work together more effectively
- Sensitive meetings with stakeholders that need to result in positive outcomes and healthy working relationships

...you will want to talk with The Governance Group.

We are a professional consulting firm with over 20 years of professional practice knowledge, skills, experience and expertise in working with boards and Chief Executives on:

- Governance
- Board development
- Strategic planning
- Meeting facilitation

Our clients are membership associations, not-for-profit and public sector agencies and organizations and regulatory bodies.

Our mission and our passion is to 'Help Boards Govern Successfully.'

We can help you and your board be successful in achieving the results that will contribute to building and maintaining a strong, vital and healthy organization.

Contact us to learn how we can be a helpful resource for your board or management team.

***Our mission
